

We Need a Little Christmas - Jerry Herman

[G] Haul [D] out the [G] holly.

Put [D] up the [G] tree before my [Em] spirit [E7] falls again

[Am] Fill [D] up the [Am] stocking

I [D] may be [Am] rushing [D] things, but [Am] deck the [D] halls again [B7] now [E7]

For we [Am] need a little [D] Christmas - [G] right this very [Em] minute

[C] Candles in the [D] window - [G] Carols at the [G7] spinet

Yes, we [Am] need a little [D] Christmas - [G] right this very [Em] minute

It [A] hasn't snowed a [A7] single flurry, but [D] Santa, dear, we're [D7] in a hurry

[G] Climb [D] down the [G] chimney.

Put [D] up the [G] brightest string of [Em] lights I've [E7] ever seen

[Am] Slice [D] up the [Am] fruitcake

It's [D] time we've [Am] hung some [D] tinsel [Am] on the [D] evergreen [B7] bough [E7]

For I've [Am] grown a little [D] leaner - [G] grown a little [Em] colder

[C] Grown a little [D] sadder - [G] grown a little [G7] older

And I [Am] need a little [D] angel [G] sitting on my [Em] shoulder

I [Am] need a little [C] Christ[D]mas [G] now

[G] Haul [D] out the [G] holly.

Well, [D] once I [G] taught you all to [Em] live [E7] living day.

[Am] Fill [D] up the [Am] stocking [D]

But Auntie [Am] Mame, it's [D] one week [Am] past Thanks[D]giving Day [B7] now [E7]

But we [Am] need a little [D] Christmas - [G] right this very [Em] minute

[C] Candles in the [D] window - [G] Carols at the [G7] spinet

And we [Am] need a little [D] Christmas - [G] right this very [Em] minute

It [A] hasn't snowed a [A7] single flurry, but [D] Santa, dear, we're [D7] in a hurry

So [G] climb [D] down the [G] chimney.

It's [D] been a [G] long time since I [Em] felt good, neigh[E7]borly

[Am] Slice [D] up the [Am] fruitcake.

It's [D] time we [Am] hung some [D] tinsel [Am] on that may[D]berry [B7] bough [E7]

For we [Am] need a little [D] music - [G] need a little [Em] laughter

[C] Need a little [D] singing, [G] ringing through the [G7] rafter

And we [Am] need a little [D] snappy - [G] happy ever [Em] after

[Am] Need a little [C] Christ[D]mas [G] now
