Bye Bye Love - The Everly Brothers

4/4 1...2...1234

Chorus

Bye bye love

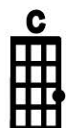

bye bye happiness,

hello loneliness I think I'm gonna cr-y

Bye bye love

bye bye sweet caress,

hello emptiness I feel like I could d-ie

Bye bye my love good-bye

4 strums then stop!

-----Tacit-----

There goes my baby with someone new, she sure looks happy I sure am blue

She was my baby till he stepped in, goodbye to romance that might have been

Repeat Chorus

-----Tacit-----

I'm through with romance I'm through with love,

I'm through with counting the stars above

And here's the reason that I'm so free, my loving baby is through with me

Repeat Chorus
