

Grow Old With You - Adam Sandler

from the movie "The Wedding Singer"

I wanna [G] make you smile when [Am] ever you're sad
[Bm7] Carry you around when your ar[C]thritis is bad
[G] All I wanna do is [D7] grow [C] old with [G] you [D7]

I'll get your [G] medicine when your [Am] tummy aches
[Bm7] build you a fire if the [C] furnace breaks
[G] Oh it could be so nice, [D7] growing [C] old with [G] you [G7]

Chorus: [C] I'll miss you, kiss you,
[G] give you my coat when you are cold
[C] Need you, feed you,
I'll [D7!] even let you [D7!] hold the re[D7!]mote con[C]trol

So [G] let me do the dishes in our [Am] kitchen sink
[Bm7] Put you to bed when you've [C] had too much to drink
Oh [G] I could be the one who [D7] grows [C] old with [G] you
I [D7] wanna grow [C] old with [G] / you
