Are you **[C]** lonesome to-**[Cmaj7]**night?  
Do you miss me to-**[C6]**night?  
Are you **[C]** sorry we **[A7]** drifted a-**[Dm]**part?  
Does your **[G7]** memory stray  
To a **[G7]** bright summer day  
When I **[Dm]** kissed you and **[G7]** called you sweet **[C]** heart?

Do the **[C7]** chairs in your parlour  
Seem **[F]** empty and bare?  
Do you **[D7]** gaze at your doorstep  
And **[Dm]** picture me **[G7]** there?  
Is your **[C]** heart filled with **[Cmaj7]** pain?  
Shall I **[D]** come back again?
